

OK... Have We Been Had?

Ok... I'm not sure, but when I attempted to access my tangents site the normal way, I came across a message that stated that the domain name tangents.org is for sale. After some trial and error, I was able to make my way here to post on the weirdness of the day.

It started this morning when I watched the April Fools Day episode of [The Price is Right](#) featuring a very special surprise guest and gags galore.

While walking to work at 11:55AM, I noticed that the clock at the bank read 12:55PM... funny.

While at work, the manager called and asked me if I would come in an hour early tomorrow as the truck was going to be early. Why would I come in an hour early on Wednesday I said.? She actually took me seriously and thought that it really was Tuesday instead of Wednesday. HAHA!

Later, an apparent wrong number called and asked to speak with Monica. I replied that I am Monica and we carried on a two minute conversation until I could not come up with any more believable conversation. Thank goodness the caller was good hearted and played along.

That was all until I got home and found out that our domain was for sale. I guess we will see what happens tomorrow. I can post, but can my readers find my posts?

Feel Good Story?

Or an April Fools' joke. You be the judge

[Sick Sea Turtle Checks into Animal Hospital](#)

I really liked the story, and I would think turtles have some intelligence. If this turtle had been treated there before, it knew enough to go back. But today is April Fools' Day. I tend to take every odd news or too good to be true news with a skeptic's eye today. I didn't see the regular April fool notes in the story, but there was mention of some other famous turtles. Hmm, it has me thinking.

I also saw a site for a [Helicopter Hotel](#). The link may be gone now, because it was an honest April Fools' Joke.

I haven't seen much else. But I am keeping my eyes open today.

Dog Toys, Wires, and Tablecloths, Oh My!

My son is crawling – uh, oh. I don't remember what his 3 sisters got into when they started to crawl, besides trouble, but my son's favorite things seem to be dog toys (and the dogs' food and water bowls, what a mess!), tablecloths (which he yanks on – I'm going to have to remove the one in the living room before he yanks it and pulls the heavy computer right down on his head!), and wires (I don't think I need to explain why he shouldn't be pulling and chewing on wires. If I do, let's hope you don't have any kids of your own). He smiles so sweetly when we say no-no; I think he likes the

attention. A more stern NO just makes him grin widely and start waving at us. So how do you discipline someone so incredibly cute? I can't help but smile back when he grins – he's so cute with his little toothies sticking out from his bottom gums. Could **you** say no to this face?
