

Morat Strikes Back

HELLO EVERY PEOPLE!!!!!! I a return to this town in OHHO country to a see this strange person at the food shop. I a see this woman who a tell me she a like Morat when he was at the school in Edgertown, OHHO when he read a the Liswathistani stories of The Three Woolly Sheep and Morat and the Three Bears to the little people for the "PTO Family Night." The woman say she enjoy very much the accent of Morat and say he a very funny person. Strange man person he just stood ans hook his head. Why he do that I not know.

As I a cover for news next owner America country, I a still not get to speak to the woman who I do not think will be new owner. I try and try but every time Morat get close to her, these funny looking man persons with things sticking out of there ears come and chase Morat away. I a not understand this at all. I a just humble person who come to find America country. I a come close to speaking to Medulla Oblongata, but he no speak to Morat, too. So I say, V0tE For MORAT. What was a that crazy movie I saw Vote For Pedro... *Bonaparte TNT*? AH.... *Napoleon Dynamite*. OK... I like Liswathistan name better. Very big in Liswathistan right now... number one movie for 2 days.

I also watch final of America Idol show. Two Davids? Only one Morat. Little David lose to old David. I think Simon helped vote for old David when he said young David won before vote. Morat sill say he should be America Idol. I sing the Livin' Viva Loca better than anyone. **EVERYONE WINS!!!**
