

That's A WHAT?

We visited our local zoo this weekend (to feed my zoo addiction, it had been awhile), and when I got home, as usual, I decided to research some of the animals we observed. As I was researching these animals on the internet, I came across some ultra-cute baby animal pics, and I thought I might make a fun game on my blog of having people guess which animal is what type of baby – HAVE FUN! Don't worry about posting your guesses – other people can just ignore them or use them as hints if they get stuck.

Here is an added picture of the same type of animal, a little older – per a request in the comments

for a better picture:
