

It's A Wonderful Miracle

I am in a quandary. Next week, opening week of *You Have the Right to Remain Dead*, is audition dates for WCCT's production of *Miracle on 34th Street*, a show I dearly love. However, I do not see much in the way of a possibility to try out when there is rehearsal each of the three nights.

However, the next production of the Village Players is another holiday classic, *It's a Wonderful Life*. I'm not entirely sure when auditions for this show will be; since Travis (director for IAWL) and [Mare](#) and are both in *Little Shop of Horrors* at the same time as my show, I do not see them being held until after that. Maybe when our time-strapped tangenteer has time to read this post, she might be able to provide a bit of insight or I may be able to ask at our next gathering.

But I think either show would be fun to be a part of.
