

Another annoying late night

I'm not really sure why I'm up so late this evening, but I am..

I was skimming through some of my old posts because I noticed somebody was going back and looking at things. I think it was some sort of 'bot looking into my blog, but I can't tell for sure unless they reply.

Last year at this time I made a plea for some blog responses. I did get a few and that really made my day. I realize that not everyone sees something in blogs to respond to. I know that I visit a blog site or three and don't respond. Not because I don't like the blog, but because I really think that I have nothing to add.

I've just been thinking, maybe (just maybe) I should respond every once in a while with a simple "I like your blog." response. That would take very little of my time, and would give the other blogger a small lift. I mean, it couldn't hurt.

That may or may not show up on blogs I semi-regularly post responses to. You know who you are, and I really enjoy your blogs. Sometimes they say everything that needs to be said. My response would be redundant.

I'm going to try to get some sleep... Ha Ha...
