

Anybody else tired of Census commercials.

***** WARNING POLITICAL RANT INVOLVED *****

I hear at least one everyday on my way to work and it is beginning to bother me. They keep talking about not having funding when things change from year to year. PEOPLE please, the census only occurs every 10 years. It isn't going to make much difference in the year to year running of your community. Are people really that dense that they don't realize this? Do the people in charge of Census advertising think we are that dense? Ok, don't answer that, some people are that dense.

I did get my census form today. Yes, hurry and fill it out for who will be in your house on April 1st. The government really doesn't get it do they. Census on April 1st? Just who is the April Fool?

Today I read that the Census is over budget. 30 second radio spots everyday? Big TV spot during the Superbowl. NO, there is absolutely no way they could be over budget. But then our elected officials have no idea what a budget is. Ya don't spend money when ya don't have it.. ARRG!!
