

Blogging time

I seem to have a bit of it. Funny how not having anyone at home gives me time to do other things. ☐ But where oh where is Jamaihsh (one of Tangents most frequent bloggers has been missing for a week). I know where one blogger is (no internet for Froggy). One may be taking a break (I really hope not, but that is his call). What about the Cabbages? Or Mare Mare? Hmm, is my extra blogging taking their space? ☐

On to different things. I had to get a new phone today. I've been thinking about getting rid of my land line for a long time. Recently I decided to keep it because I like being able to give people that number if I don't feel like giving them my cell number. But my last phone decided it didn't want to dial out anymore. I couldn't read the messages on the answering machine either. And to top it all off, the wireless extension didn't work either.

So I got a new phone. The answering machine is up and running again, but with a bit of a difference. I really like my cell phone greeting, so I put it on the home phone too. So Sorry Admin, but I like that greeting.
