

I guess I am changing too

Seems like there is a lot of changes happening in the Tangents' world. I did like having my own avatar, so I thought I should have a page that displays them. If the page looks a little familiar, I'm using the same theme our admin is using.

I liked it because it was highly adaptable. As you may have noticed, I like playing with this and I never leave a default if I can help it. If you notice, your avatar is not the standard default, so if you don't like the little monster, you should pick your own. □ So far, I like this theme and the current setup, but again things may change.

3 more shows, so this will be a short post.
