

It is official....

I have a friend... At least for now. As a way to keep up with some of my daughters, I finally opened a facebook account. I opened this because someone else invited me. My oldest does not have a facebook account, so this won't help with her, but I'm only going to open one social networking account. And since a number of people I know from work are on Facebook, it just makes more sense, if it makes any sense at all.

Really, I don't know that I will put much up on Facebook. It links to my blog, and that is where my words flow.

Do I need to add more Friends?
