

Now that amuses me.

In a recent trash cleaning of my little blog, I came across two comments with less than positive reactions to my little bits of writing. One would assume that a more positive feedback would allow the post to get included in the blog and therefor allow the additional link posting that they are looking for. Me, I just get rid of things when I don't know where the people are from. At least most of the time. I check the web pages and such when they look almost legitimate.

Yep, I talking about the wonderful spam stuff that gets through the filter. Hmm, do I really need to allow the following.

- 1) Hey, get your loan here. – on a post about hamburgers.
- 2) Hey, get your loan here. – on a post about theater/movies
- 3) more of the same on posts that have nothing to do with money.
- 4) Hey great post – You need more pictures.
- 5) Interesting post – Looks like you need English lessons or an editor.
- 6) Why do you even write this drivel?
- 7) I like your site, but you need a new template.
- 8) I don't like your site, try my template.
- 9) Try my book on blogging.
- 10) I'm a spammer, accept my comment.

Ok, that last one I really didn't get, but all of the others really seem to say that same thing.

Grump, Grump.
