

Back to Narnia

I took 2 of my daughters to see Prince Caspian tonight. While I enjoyed the movie, but couldn't help but feeling that it wasn't quite flowing with the book. It has been years since I've read the book, so I couldn't be sure. I will have to read the book again to determine if my feelings were accurate.

As far as the movie. I was entertained. I think that I will want to get the DVD. I think I would just rent this to see it again in most normal instances, but since I have the first movie, and the books, it will add nicely to a collection.

I'm not sure I would take younger children to this movie unless they have a good idea that movies are "make believe". This movie was a little more intense than "The Lion, the Witch and the Wardrobe". There are two major battles, and a couple of more intense chase scenes. So while a good movie, you may want to watch it first before taking the young ones.
