

In the land of Dinosaurs

I heard today that author and screen writer [Michael Crichton](#) died Tuesday.

I did like the movies based on his books (at least the ones I saw), but I really enjoyed the books. Especially the Jurassic Park books. His books kept me on the edge for the entire read. So much better than the movies. I think that is because my imagination is so much more creative than any digital or Hollywood effect.

Another loss in the creative world.
