

# It's the little things in life.

I've been building up to writing a bit more on the blog. One by one, post by post there will be a story evolving. This is for me, it is for my family and I will share with my friends Things I've thought about over the past few years, but never put to written word. I'm open to all comments on this project, as it deals with the things I've found to be important in life.

This first post will eventually form an introduction, chapters will follow. Things will be added, subtracted. Until I deem this to be a "finished project" Posts will be edited and changed. This is life, this is love and this is a smile.

I will start with a look back and end with a look forward, time will be filled.
