

# Weekly EBook review

Well not quite yet, but maybe a new category if I keep reading at the rate I have been. Since this is an Ebook review, there will be some things about the books that you will only get from the ebooks I've been reading. Almost all of the books have been copied from original text and had OCR software run on them. I've notice in a few places the character recognition software just wasn't up to the task. I will have to note where I got the copy, how it was translated to digital text and the edition year it was copied from.

I'm thinking this will be a lot of fun for me, but my readers may be a bit bored by my reading selection. Oh well, you get what you pay for. I'm reading free books, and you are reading a free blog.

This week I finished 3 ebooks, so I have a choice as to which title to review. Decisions, decisions. Life sometimes complicates these things. ☐
