

An Odd House Call

Everyone knows that most famous people do not become so overnight. In fact, the majority of today's stars led everyday lives and some of them probably wished that they had. Here is but a sampling of the "odd jobs" and other highlights of some famous people.

[Dan Aykroyd](#) and Steve Carell both worked for the postal service.

[Jennifer Aniston](#) was a telemarketer.

[Warren Beatty](#) was a rat catcher.

[Lucille Ball](#) was fired from an ice cream parlor for not putting bananas in a banana split.

[Boy George](#) (of the 80s group Culture Club who created the Broadway flop musical *Taboo*) was fired from a supermarket for wearing the store's bags.

Finally in the 1970s, [Tim Allen](#) (in the would rather forget category) spent two years in prison for dealing cocaine.

My personal favorite odd job of the stars would be for Academy Award winner [Whoopi Goldberg](#). Apparently, the Whoopster was a mortuary cosmetologist before she became a stand-up comedienne. The thought of going into a funeral parlor to beautify a dead body seems strange at best. However, my mother who is a beautician herself has visited our local mortuary on several occasions for just that reason. She also has a standing appointment for several of her more mature patrons... talk about making house calls. Apparently, they want no one else touching their hair as they make their way into the great beauty parlor in the sky.
