Happy Easter!

Okay, trying to make people say Resurrection Day instead of Easter is just pointless. If you'd like, Happy Resurrection Day! The celebration of Jesus Christ's victory over death is upon us once again! Hallelujah! No, I wasn't calling you over, Hallelujah (private joke: there is a boy named Hallelujah in one of the classes I teach). Now that you're finished cheering, I have a Godtube video to share. Godtube is like Youtube (ya think?) only it's all about Christ. My pastor showed a video in church a few weeks ago that really shows using dance/drama what God's love is all about. He loves us so much He went through the humiliation of becoming a man and the pain and suffering of becoming a sacrifice- *the* sacrifice for us. Anyway, on to the video. Let me see if this works…

<edit> Nope. I guess we can't embed videos- hey C, any way we can turn this feature on? like embed, target = _blank also gets cut out of the code when trying to make a link open in a new window. Anyway, here's the link:
