

# Finding a way

I'm involved with another theatrical production, as I've stated earlier. I've only been to a few rehearsals, and I'm tired of it. I don't think it is the show, or the actors in the show. I have a good time when I am there, but before I get there and after I leave I experience a feeling numbness. I'm just tired of the whole thing. I really wish I would have stayed on my theater break. I don't want to study lines, learn blocking or any of the other things needed for this show. I have other things I feel like doing instead.

I wonder how long this feeling will last. I need to learn how to say no. I need to focus on projects I am really interested in and ignore the ones that I have just a passing interest in.

Oh well, the show must go on, and I will soldier through.
