

Mid May? Really?

Take 2?

Cool weather for mid-May, and I have a fire going in the fireplace. I have had no other heat since the some time in April and I will start a fire in the evening if needed. The cool damp weather calls for that fire.

Started the fire a bit later than I normally would since I had to rehearse today. I just found out that the Dinner theater I am in on the Weekend of the 22nd is sold out. A week and a half before the show. Wow!! It has been a while since I've been involved in a sold out show. Should be fun.

I also found out that the last show I was in is destined to go to regional contest. I'm not sure about this. I liked the characters, but I was ready to let the show go when it was over. Can't really say I am looking forward to this. That is two years in a row that a show I was in was elected to go to our regional contest. Last year I had a good excuse not to go. I don't think there are any weddings planned for this year's contest (there better not be...) But maybe a family party? Something that I could use? Is that the weekend my youngest has to move home from College? Hmmm.

Oh well, the fire needs another log tossed on it.
