

Newseum – Haven For News Junkies!!

If you are a news junkie like me, then you will love this website – there are maps of the whole world, broken down into sections. You click on dots on the map, and you can see the front page of the newspaper for that region. In many cases, you can get the pdf file of the entire newspaper! The site is updated every day, so you can see current headlines. I really like to read news from all over the country, especially places where I use to live, like Chicagoland, Lincoln Nebraska, and Rockford Illinois. And it's really interesting to see headlines from the entire world! (even though I can only read the ones in English!)
