

Countdown to Saturday

My youngest is heading off to College this Saturday. This week we are getting things together to make sure she has everything she needs to start the new year.

My daughter needs some special equipment for her college career. The non-special equipment/clothing became special because my daughter is small. The small/petite scrubs have to be hemmed to fit. We went all over the place to find a coverall that even came close to fitting. Rubber boots, same thing. You may ask what she is going into with scrubs, coveralls and boots. Her chosen field is Vet-Tech. So with the current clothing and equipment it looks like she will spend a part of the semester in a barn or two. The hoof pick she needed kind of gave that away.

We are also picking up a few things so she can set up house keeping in her new apartment. It is a furnished apartment shared with 3 other young ladies. This is my first daughter to live on campus during college. I may go through some empty nest feelings later, but for now I am just excited for my daughter. More on all of this later in the week.
