

Happy Birthday Dad!

Not that my Father would have every seen this, even while alive he did not access the internet. If my math is correct, he would have been 86 today. He died in 2001 at the tender age of 77.

Dad's birthday was very close to Fathers Day, and being at the start of Summer it was always a time to celebrate. Of course Dad liked his desserts so there would have been at least 1 maybe two if Fathers Day and his birthday were celebrated on the same day.

So with Fathers Day coming up this Sunday and my Dad's birthday today, I'm going to celebrate and remember by having his helping of dessert. Sunday, I will even eat the dessert first...
