

# Jokes that didn't work....

Well, I tried to get my oldest with an April Fool's Joke today, but unfortunately she had a similar idea to try to get me. Both of us failed. I know her too well. And since my joke was similar she saw right through it. All in good fun. She's been trying to get me since I got her up for School on a Saturday. That had to be one of my best.

I do try to plan my pranks, jokes and other April Fools day fun on people who like that sort of thing. Getting caught by that may not be everyone's favorite thing. I tend to plan one or two major things, and a couple of smaller ones. I have yet to make anyone really mad.

Did anyone catch the Google prank today. It was a stroke of genius. The ability to send your e-mail back in time. I wonder how many people believed that one.
