

Taters of the Lost Ark

My lovely eldest daughter bought me a toy. It was the latest [Mr. Potato Head](#), complete with Indiana Jones Costume. Since I am a big Indy fan, this was a real treat. I'm just waiting to get the "BIG" Lego set, I just don't know where I would put it.

The newest installment of the Indiana Jones series comes out this Thursday. While I would love to be there on Opening night, there may be other things that keep me from the movie house. I'm sure I will see it this weekend, but the exact day is up in the air.

I'd like to say something insightful or thought provoking about the movie, but I'm just making this up as I go along.
