

The name of the game

What was that game? The one I liked? I remember what it was about, sort of. No that wasn't the game, but it was like that one. I think this is it, but I don't remember that rule.

Ok, has that happened to you? No? I guess you don't play any of the large variety of trivia/knowledge games available.

I've noticed that there are so many of these types of games, it is very possible to confuse which one you played last month, or even last week.

I bring this up because my friends and I play a large number of games. A good percentage of those games are the trivia/knowledge games. There are some that are very fun, and other not as much. Some even have a few of the same questions as other games, but the rules make a difference. I think what makes the game fun is when giving the wrong answer is as much fun as getting the right answer.

But then again the fun of games is that we get to enjoy time with others. Ways to relax, have fun and enjoy the company of others is very important for our mental well being. This week I have two opportunities to share time with family and friends. I'm looking forward to it.
