

Upsetting news for parents

My youngest is on her way to a show choir competition. That in itself is enough to make a parent worry a bit. She will be spending this evening on a bus, and arrive at the destination tomorrow afternoon. That is also enough to make a parent worry.

But she is heading south and east to South Carolina and the Myrtle Beach area. Has anyone seen the news about that area? Unfortunately, I have. If you haven't I will share.

Can a just say that this is really something to worry about. My youngest is always getting herself in this situation. When she was in the 8th grade she went to a Vet Camp. There was news that a Black Bear was roaming around in that area. Hmmm.

She decided to go to a specific college. There was a dorm fire in the dorms she was going to be living in. The students in the fire were in the same area of study she wants to go into. Hmmm.

Does bad luck follow my little girl all over the place, or is this just some weird set of coincidence.

I'm guessing the latter. It helps keep me sane.
