## Awesome Anthem Of Moms Everywhere

Apparently while people are on Christmas break — off work or just home with their kids — they like to send email forwards. I've gotten a burst of them lately, and 2 caught my eye so I will share them. The first is another personality quiz, but it had some different questions than ones in the past, so I'm posting it. Second is a really cute youtube video of a lady doing a marvellous job singing a song with which every parent will identify. She is very talented, and it's a good performance. Not only do the lyrics ring true, but the woman has a nice voice, and she just performs the song very well. It's amazing to me that she was able to memorize all those words — they come awfully fast!

Here's a copy of the personality quiz email with the answers I wrote:

A little fun thing to do.
