

Hiatus?

My life is so uninteresting I am seriously considering a hiatus right now. I am a bit depressed that there is such little interest in my blog. True, I don't exactly advertise it outside of a link in my signature at a site I don't post much at, but I would have thought some would post here outside of the three regulars (and one irregular). I am also disappointed in myself at not going after a new job. Subbing has barely paid the bills, and now I am one month into no income. At one time I had hoped to supplement subbing with some sort of computer-based business like an ebook or computer repair, but it's looking like that end is not only dead but rotting away...

Maybe I can think of something to post every now and then, or maybe something will happen that will give me something to post about, but until then it doesn't look good for this blog. However, I know my mood is down right now so I won't make any decisions until it improves.

I know I used to post school news, but all I have really read in the last few months was so-and-so teacher has improper relations with his or her students and so-and-so gets in trouble for showing their Christianity. In other words, nothing worth posting, at least here. This kind of stuff is just too common and too sickening. Maybe retrogaming news? There was a new release of [Gamebase Amiga](#) recently. Get this package, [WinUAE](#), and a few Kickstart ROMS and you're all set to go with playing old amiga games. Another package for Amiga if you want to do more than play games is [AmigaSys 4](#).

So, until later.

EDIT: Hm, this new post seems to have broken the embedded video from Friday. Even though no one showed any interest in it anyway here's the direct link: [I Pledge Allegiance to the](#)

[Lamb](#)

EDIT 2: Video looks to be working again.
