

Blessings

We always knew that we were blessed with our 5 healthy babies, but the reality of how blessed we really were is beginning to sink in. Our first 4 children were very easy, content, healthy babies, so our 5th child, Luke, has rocked our world a little bit. He has always been an intense baby; very energetic, playful, sleepless, alert and specific about his wants and needs. But during the past few months, he's been sick as well, so the poor little guy is having trouble being comforted. We've taken him to the doctor a few times, and he's been diagnosed with bronchitis and an ear infection. As if these illnesses were not enough, his chest x-rays show he has an enlarged heart. We are currently praying that this is not a symptom of something seriously wrong with little Luke's health. My husband made me promise not to google it since we've made a few medical scares in our family worse by scaring ourselves with random internet information. We are currently waiting for our appointment with the pediatric cardiologist. Scary stuff.

I will continue to update when I can. In the meantime, prayers for Luke would be wonderful ☺
