A haunting we will go.

For years I’ve enjoyed the simple thrill of various Halloween hauntings. I’ve been to many haunted houses, cemeteries, theaters, mansions or woods over the years. There was even a time when I was trying to help organize a haunted attraction. This year I’ve had the pleasure of being one of the haunts.

What can I say, it has been a lot of fun and I get to do it again next week. I will say it is much harder to scare people than I thought. It takes timing and the proper setting. Then there are some people who think it is fun to go through not being scared. It is almost impossible to please them.

I’ve been through so many haunts that it takes a lot to scare me, I will get startled, but scared takes a bit. But I’ve always enjoyed myself and recognized the work of the actors. I hope the people going through the haunted forest this year do the same.
