

What was this?

Ok, I found an empty draft of a post (dated 21-Sept-2009), and I thought I would put something in it. I have no idea what I was thinking of at that point (the draft was empty). So let's talk about the word draft or draught.

Draft in this case means a rough draught or is that ruff draft or maybe rough draft. Usually a paper or other writing before it has been checked or proof read.

Of course you can feed your draft horses in the drafty barn, drinking draft beer while waiting to be drafted.. Huh? Or maybe you could be a draftsman drawing up plans to determine how close you need to be to get the full effects of drafting while racing for NASCAR. Me, well I could check the draft on the fireplace this winter while setting up a game of draughts to play with my youngest when she comes home. But I really wish someone would make a draft on their bank and send it my way?

More on fun English words at a later date....
