

I Have Gas

I know what you are thinking... and no... not that kind. This morning, I set out to complete my Halloween costume (still missing something I would have liked to add, but not essential). Ran into some old friends/former co-workers and chatted a bit and caught up and let them know that I have not completely disappeared from the planet.

I also bought my first Christmas gift for the menagerie of people I choose to buy for. Someone mentioned that they enjoy a certain fantasy book series so I looked for that. Then I realized that a movie was made from the series and luckily enough I found that. One down... several to go.

Just before I hit the city limits on my way home, I glanced at the dashboard. The little needle was in the red zone with very little room to go. I found the first driveway available, headed to the nearest station, and made it just as the little light came on. **PHEW!**
