

OK... Have We Been Had?

Ok... I'm not sure, but when I attempted to access my tangents site the normal way, I came across a message that stated that the domain name tangents.org is for sale. After some trial and error, I was able to make my way here to post on the weirdness of the day.

It started this morning when I watched the April Fools Day episode of [The Price is Right](#) featuring a very special surprise guest and gags galore.

While walking to work at 11:55AM, I noticed that the clock at the bank read 12:55PM... funny.

While at work, the manager called and asked me if I would come in an hour early tomorrow as the truck was going to be early. Why would I come in an hour early on Wednesday I said.? She actually took me seriously and thought that it really was Tuesday instead of Wednesday. HAHA!

Later, an apparent wrong number called and asked to speak with Monica. I replied that I am Monica and we carried on a two minute conversation until I could not come up with any more believable conversation. Thank goodness the caller was good hearted and played along.

That was all until I got home and found out that our domain was for sale. I guess we will see what happens tomorrow. I can post, but can my readers find my posts?
