

An Opportunity

I don't know but I really do think that retail is burning me out. I think primarily it is the fact that I have been in it off and on since high school and just need to break away. I try to have as much fun while I am working but at times it just seems I dunno what... I just can't put my finger on it.

Which is why I have been looking to the want ads and TODAY I found an opening for an opportunity that seems almost tailor made for me. Anyone who knows me well knows how much fun I have and try to make for little ones. Having 7 nieces and nephews and a family who has dubbed me their "manny" surely illustrates that. I even put this under the "Special Skills" heading of my resume.

Healed leg or no, I feel that I would be good in the position.

Attitude is everything. I am learning to deal with my leg as best I can. I'm not a total invalid and I am on my feet a lot more than I was. So everyone wish me luck and come what may.

Until then, I will enjoy my current employment and have and make as much fun at it as I can. I do have a job unlike so many other unfortunate people out there and have no intention of giving up that job until another window opens.
