

Baby, It's Cold Outside

And nowhere was that more apparent than at work today. When I arrived, the indoor had it's usual mind of it's own during blustery days. So, I locked it much to the chagrin of customers who still tried to push it open without heeding the "Please Use Other Door" sign. People actually thought we were closed at 5PM. The marquee with our specials advertised out front also was problematic. I don't know how many people came in and told us that it was about to blow away. It was so wind that the swinging doors leading to the stock room would swing back and forth. I don't know of any ghost stories surrounding the store, but I have been in the catacombs and it is not a pretty sight! Maybe a projectionist from the days of the movie theatre met an unfortunate end. Ah, well we may be in for a long winter and the calendar still says we are still in Autumn.

. And here's a cute video to enjoy in the cold.
