

Books I need to buy

Before I begin, I must state that writing a blog with cats turns out to be very difficult! I was on my laptop downstairs because when I use Tony's desktop, I usually have Wedge walking across the keyboard. Well, he decided to cuddle downstairs, but Beru was unhappy with that arrangement and she walked across my keyboard and made my screen black. I have no idea what she did, so I came upstairs and so far, Wedge is still downstairs! We will see how long that one lasts. ☐

I have just finished reading the Heretic Queen and before that Nefertiti. Both are written by Michelle Moran and I have read them both multiple times. Nefertiti is about, obviously, Nefertiti, Akenaten's wife and the Heretic Queen is about Nefertari, Ramesses II's wife.

Well, I wasn't able to finish up this yesterday because Wedge had to come and try to help me. I had to work also, so that didn't help. We will just have to try again. Anyway, I have been looking for these books cheaper than the original retail price. I have found some on the internet, but so far it hasn't been a top priority for us right now. ☐ I know that when I do buy them, I will have to get them in hardcover because of how often I read them! It's like one of my favorite Star Wars books that I read over and over. I have almost destroyed my Vision of the Future written by Timothy Zahn. The poor book has been read so many times and is now falling apart. The binding is barely holding the pages inside the book. I think some of the pages are falling out. I have another book like that also. Ella Enchanted is falling apart also. I have certain books that I tend to read over and over and no matter how careful I am, they will eventually fall apart.
