

Even with all those movies...

I was looking for a collection set to add to my movie library. A few years ago Universal studios released their "Monster Collection" as a boxed set (DVD or VHS). 8 movies in all. Since I had the ones I thought I wanted, I didn't bother with the set.

Now some of my old VHS tapes are showing there age, and I thought it may be time to pick this up if it was still available anywhere. I did a quick search and found used DVD sets going for over \$200. And a new "In the box" set going for close to \$500. NO WAY would I pay that much for these movies, I can get them cheaper buying them one at a time when I see them at video stores. The Wolf Man at Wally World was only \$7.50

A further search found that those same movies will released as a collection again at the end of this month. Pre-Orders are less than \$50. I'm sure if I time it correctly, I can get it for less than that. Here is a toast to patience. ☐
