

Superman... .

While I was heading to my eldest daughter's place last Saturday, I did a bit of shopping in the Toledo area. I was looking for an animated Superman series on DVDs. I found them. What got me started on this, was finding Superman DVDs in the cheap section of some local stores. Anywhere from \$1 to \$8 for 4 stories. The animation was ok, but most of the story lines were very good. Not at all like the Superfriends that were on TV when I grew up. The producers of these shows seemed to put a bit of thought behind each story. I was happy with the few shows I had.

Then, I watch the complete Justice League on DVD. I'm fairly certain I have all the episodes. And there were references to things that happened in the Superman Series and maybe even Batman. I just had to get them to find out what went on. I tried looking to rent, but I figured out, I was just going to have to buy them. Lucky for me there was a special that day. I now own seasons 1 through 3. I watched Season 1 and will watch the others soon. A very good way to pass the time.

Now I have to see if I want the complete Batman and Batman Beyond series.....
