

The Giant Gila Monster

Your typical late 1950's giant monster movie. Huge lizard terrorizing a small western town. Strange accidents occur, people go missing, and we see a lizard and a very large foot. Complete with dark settings and 'spooky' music.

As with most of these 1950's 'horror' movies, they do try to write some sort of plot. Bunch of 'kids' in this are driving around in 'hot rods' and having all sorts of relationship problems. Money, family, girls you name it, they seem to have those problems. These problems have nothing to do with the giant gila monster.

First report of this monster is from a drunk (of course), and he wasn't in any condition to be believed.

Yes, a typical 'B' movie. I had a few laughs watching it. Available on IMDb.
