

The Hulk as he was

I'm currently watching an old Bill Bixby Hulk Movie. Before the big screen 'block busters', we had Bill and Lou as part of the Banner/Hulk duo. The eyes turn green, the shirt rips and somehow he can keep the same pants buttoned.

No animation here, just one very big man in green makeup. I liked these shows when they first were first on the air. I liked the stories they wrote, and I liked the acting in the show. The show holds its own even after 20 years. That is a tribute to good writing, directing and acting.

After starting to watch this show, I am hoping to see some of Bill Bixby's other shows. My Favorite Martian, The Courtship of Eddie's Father and The Magician. I will have to look see if I can find DVD's of these other shows. I wonder if they will hold up to the test of time.
