

They missed the wolfbane...

Even a man who is pure in heart and says his prayers by night, may become a wolf when the wolfbane blooms and the autumn moon is bright.

Finally saw the latest Wolfman movie. I know it was a disaster in the box office and critics generally disliked it, but I found it to be an enjoyable romp in the werewolf legends.

While it was different than the 1941 original, the writers gave us a good story. Some tension, some mystery and excellent performances from all the lead actors. I enjoyed the film craft of the movie as it harkened back to that 1941 original.

I would recommend this movie to any fans of the horror movies of the 30's and 40's. A wonderful way to spend an evening with someone.
