

imdb quiz

If you haven't been to the site imdb.com and you like and/or watch movies, I give you permission to take a break from my blog and visit it now: imdb.com

This site has everything about pretty much every movie: a list of the actors and crew involved with clickable links so you can see where else you've seen them if they look familiar or where else to find them if you like their work, trivia about movies, quotes, discussion boards, and much more. They also have a movie rating system for users, so you can see if a movie is going to be worth the time to watch it according to popular opinion. Imdb lists keywords for movies, which I've often thought would make a fun game. I've posted some below for you to try. These are the keywords imdb has listed for some popular movies – I will give a hint – all but 2 are movies made pre-1990. Keep in mind that I didn't choose these keywords; imdb chose them for whatever reason and some can be quite strange! Let me know if you would like additional hints, I can give you genre, actors, or just random hints, happy guessing!
