

# In The Beginning...

There seems to be a fascination with franchise re-boots in movies today. If memory serves, one of the first was George Lucas' idea of deciding to tell the back story of Darth Vader. While the idea of *Star Wars* Episodes 1-3 seemed good in theory, it failed in many respects.

The plot of the trilogy had more to do with political mumbo-jumbo than actual lightsaber and space battles. It took three movies to explain how a Republic failed and became the Empire of the original *Star Wars* trilogy. Anakin Skywalker's transformation into Darth Vader almost seems like a secondary plot. And don't even get me started on the ridiculous concept of "midichlorians."

The acting seems stuffy in Episodes 1-3. Hayden Christensen's acting style is so wooden and forced that the audience really does not care about Anakin Skywalker. The dialogue makes it sound as if the audience is watching a Shakespearean play instead of the fun, swashbuckling atmosphere of episodes 4-6.

However, there are good moments in the second trilogy. [\*The Phantom Menace\*](#) includes a lightsaber duel between Obi-Wan Kenobi, his mentor Qui-Gon Jinn, and the evil Sith Lord Darth Maul. By the time [\*Attack of the Clones\*](#) came about, enough technology had been created to allow Yoda to become more than a mere puppet and engage in his own lightsaber fight. Finally, [\*Revenge of the Sith\*](#) features the climactic battle between Obi-Wan Kenobi and Anakin Skywalker.

On a side note, the title *Revenge of the Sith* is a nod to the title which Episode 6 was to be. *Revenge of the Jedi* was to be the title of the final movie. At the last minute after posters, advertisements, and merchandise had already been created, George Lucas decided that a Jedi does not seek revenge. Therefore, the title was changed to [\*Return of the\*](#)

Jedi. *Star Wars* collectors must have a field day looking for and selling these rare pieces of memorabilia on [ebay](#) and at conventions.

While both trilogies are among the most popular movies in history, the redemption of Anakin Skywalker as seen in episodes 4-6 are much more imaginative than the newer films. However, if you are a *Star Wars* purist and want to know how and why Darth Vader came to be then you should watch the newer films which are the first in the timeline of the series....

**WOOLY SHEEP!!! MORAT CONFUSING SELF!!!!!!**
