

My Favorite Movie At The Drive-in

I was so excited to receive the newsletter from my local drive-in movie theater this week, and I'm so glad I checked it when I did – tonight there is a special showing of Wizard of Oz (which just happens to be my favorite movie of all time) at the drive-in! I can't wait to watch it under the stars! I am so glad that I didn't wait to open the newsletter; I can't imagine how disappointed I would have been if I had missed the email or had something else planned! I only checked it yesterday otherwise I would have put together a costume. But that's ok, I'm just happy to be going, and I will bring along my hard-cover coffee table book that just happens to have the full script printed inside it. Boy, will that drive my fellow drive-in friends nuts, but then again, it's not like I need the script in front of me to recite the movie. ☐

I am so excited!!
