

More Than A Christmas Novelty

A few posts ago, I was pondering the popularity of the extremely cool acapella group [Straight No Chaser](#) and came across a website full of information, song samples, and discography. I also discovered that a new song-filled recording is about to drop. And quite remarkably this little group was organized on a college campus just to our west.

Check out this video that brings back great memories of performing with America's Finest Singing Machine! Just don't ask me if it is better performed by a chorus of 80 or a small ensemble... just a bit biased.
