## More youtube

Take a look at this trailer for the 1951 version of Raiders of the Lost Ark (click the video to go directly to youtube for a larger version)! What, there was no such version you say? So what was was this then since the actors are real 50s stars? Give up? Go to this youtube link that breaks it down for you.  $\Box$ 

Incidentally, this isn't this guy's first work on a trailer like this. <u>Click here</u> to see a couple more goodies.
