## I Said I Would Post When the Bears Won... So, Guess What?

The Chicago Bears did it again! Another 4th quarter comeback!

Next week we face the Detroit Lions which, with one win in the past two seasons, should be a cakewalk. However, if I know anything about the NFL (do I?) I know that on any given Sunday either team can win the game. So, I will not get too confident!

Jay Cutler, the Bears shiny new QB, looked sharp again helping to fade my memory of that <u>terrible start in Green Bay</u>. At first, I was not very happy... The Bears started down 13-0 and it wasn't looking very positive. I even had to turn down a friend's invite for dinner (sorry Cathy!) because I was not feeling very social.

**But** just before the half the Bears scored a touchdown and provided some tension relief. The rest of the game remained an exciting affiar and it ended the best possible way — with a Bears win.

So, there you have it.
