

Paranormal Activity w/ a Chance of Meatballs

I am S00000000000000000000 excited to be traveling this weekend to see some family and friends! I will get to see my awesome mom, and my (Best-Man, 1999) [Derek](#). I will also be celebrating my in-laws 40th anniversary. So, what a great weekend!

I have to admit though, one of the most exciting parts for me is going with [my wife](#) and friends to some Illinois haunted houses!! I love being scared (*when it isn't REAL) and I love spending time with my friends. So I am just totally psyched! I wish my friend [John](#) could make it, but I will **make him come** NEXT TIME!!

Anyway, this post is not about my trip. It is about being scared. And I saw a movie on Tuesday that totally freaked me out!

My wife and I went to see [Paranormal Activity](#), the SUPER-HYPED low budget horror film that has been causing people to lose sleep at night. We also saw [Cloudy with a Chance of Meatballs](#); the kid's flick.

Cloudy with a Chance of Meatballs FREAKED ME OUT!

Paranormal Activity was umm... Baby-Diapie-Smell-Like-Poopy! It stunk bad. I have never been so disappointed in a movie in my life. I was really hoping to get a good scare but ended up being something I rarely ever am in a movie – BORED! This movie is all hype, no bite. I think some teens convinced each-other this was real or something (ala Blair Witch) but... The hour and a half running time of this movie felt like 3 hours! I was never once held in much suspense nor was I worried for the main characters. I was just bored. I give this an IMDB rating of 2.3 – AWFUL!

Now... I have weird food phobia. I freak out at the thought of food on skin. Yes, I know – weird. But when gobs of eggs, meatballs, and nacho sauce (yes, a guy was BATHING IN IT!) fall from the sky – YAAAHHH!!! This was a scary, scary, scary and disturbing movie. I do NOT want to go to the ketchup-and-mustard haunted house!!!!

So Cloudy = Cute for Kids – Scary for Food Phobics

Activity = You be Better Off Playing Monopoly VS. Yourself
