

...and get their parents in trouble!

Two news items in one day after a drought! This one is about several parents being arrested- because their kids racked up too many unexcused absences. I am not really sure how to feel about this one. After all, parents do have a responsibility to make sure their kids are educated. But handing them over to the police? (shakes head in bewilderment). As long as this doesn't involve criminal charges- unless they were doing something illegal with the kids- I guess it can't hurt to scare them a little in front of a judge.
