

Disappointment Is An Understatement

I am still a Cubs fan; I will admit it. Even after the 2003 Steve Bartman episode, after the 100+ (now it's officially time to add the + to 100) year World Series drought, and the disasterous playoffs of the 2007 and now 2008 seasons.

I just cannot believe the season is over. The season started off so promising this year, and picked up momentum all summer, only to leave us bewildered and disgusted in October once again. So what happened that made them look so terrible during all the playoff games?!?

You know what? I don't even want to talk about it. At least I don't have to worry about missing the World Series while I'm in Florida! Frickin' Cubs. Maybe next year... UGH!
