

Interesting Day in sporting news

A little bit of sports trivia. The only bit of major pro sporting news yesterday was Baseball's All Star Game. Today outside of that last game that really counts for yesterday's scoreboard, there is no major pro sporting event going on.

No Pro Football, Basketball, Women's Basketball, Hockey, Arena Football, or even Soccer. The British Open in Golf will start tomorrow. That's right folks, today is a downer day for sports fans. After we finish talking about the All Star Game, there are no other scores to talk about. Tomorrow, until the British Open first round scores start coming in, and MLB starts again, there will be no scores to talk about.

Today is the one day for the year, you can be sure there will be no sport scores other than the game that started the day before. Interesting? or a MLB conspiracy? Will we ever find out?
